**ADMINISTRATIVE LAW JUDGE:**

David D. Fleming  
Division of Hearings and Appeals

Petitioner filed this appeal to contest a reduction in the amount of his FoodShare allotment. A hearing was scheduled for March 18, 2015 at 10:15 AM in person but Petitioner called to ask that it be by phone. File notes indicate that the number left by Petitioner was called at 10:15 and 10:30 without success because of a busy signal. Before an abandoned decision was issued, Petitioner called to let the Division of Hearings and Appeals know that the matter had been resolved and that Petitioner was withdrawing this hearing request. Thus this appeal is dismissed. If I misunderstand these circumstances, Petitioner should note the rehearing instructions below.

**CONCLUSIONS OF LAW**

That there is no issue for resolution by the Division of Hearings and Appeals.

**THEREFORE, it is**

**ORDERED**
